

## Support the John H. Smyth Scholarship Fund

VICKIE WAITSMAN and JOHN SMYTH established a scholarship fund in memory of their son, John H. Smyth, who died suddenly on June 7, 2005, at age 16. Johnny was a 10th grade student at the Julia R. Masterman Laboratory School. Masterman is a Philadelphia public school. Students attend Masterman from all over the city and are admitted based upon academic performance.

The purpose of the Fund is to provide an annual \$5,000 scholarship to a member of the Masterman graduating class, beginning with the class of 2006. The students selected will best manifest the characteristics that were embodied in Johnny. **Each year the recipient will be someone who:**

- engages everyone, so that no one is excluded from the group or activity;
- enjoys the friendly competition of play, whether on the soccer field, at a chess table, or at the playground for a pick-up game of basketball;
- possesses a joie de vivre in all that he or she does;
- enjoys and shows a real interest in learning, manifested both academically and outside of school;
- possesses a sense of humor, and can enjoy a laugh at his or her own expense;
- cares passionately about issues of fairness;
- cares deeply for family and friends.

The scholarship award may be used by the recipient for the student's tuition, room and board; costs and expenses related to travel; and/or the purchase of school supplies, books and/or a computer.

*The John H. Smyth Scholarship Fund is administered by the Masterman School Foundation, a 501(c)(3) organization, and donations to the Fund will be tax deductible as charitable donations.*
